God is our refuge and our strength
Ever-present help in our lives
Therefore, we will not fear when earth
gives way
and the mountains fall in the sea

Lift your voice, the earth forms
Lift your voice, kingdoms fall

There is a river whose streams make
glad
The city of light where God dwells
God is within her, God knows she will
not fall
God will help her at break of day

Lift your voice, rivers flow
Lift your voice, mountains fall

Lord Almighty is with us, this we
testify
God of Jacob is our fortress
God will exalted among the nations
God will exalted on earth

Lift your voice, people rise
Lift your voice, people fall

Come and see the works of the God
of Jesus Christ
New way of life that we know
God makes war cease to the ends of
the earth
God makes the tools of hate break

Lift your voice, we won't fear
Lift your voice, call us near
Lift your voice, we won't fear
Lift your voice, call us near
